3. Weeds must never be allowed to reach the “unmanageable” stage. You will receive a warning, then have **one (1) week** to take care of the problem. You will only receive **two (2)** warnings, and then your plot will be ploughed over.

5. The maintenance of shared areas and pathways is everyone's responsibility. Please keep these areas clean of weeds and refuse, especially around your own garden.
6. Produce grown on the Al Ritchie Community Gardens plots may **not** be sold. The purpose of the plots is to allow people to grow food for their own consumption. We encourage you to offer excess harvest to friends and family members, to ARCA for use in our Wellness & Seniors cooking programs or to the Regina & District Food Bank.
7. The use of any chemical compounds is prohibited. Gardeners found to be using any wide spectrum broad leaf weed killer will be charged a fee of \$60.00. Any grass killed by chemicals is to be replanted or re sod by the gardener. Second offence will be removal of gardening privileges.
8. **Water:** Please water your garden conservatively, as we have a limited budget. Due to the high rate of evaporation, please avoid watering between **11:00 a.m. and 5:00 p.m.** In case of a water shortage, we will implement alternate watering days.
***Hoses are not supplied by the Al Ritchie Community Association. Please ensure that water is turned all the way off when leaving and tap is locked.**
9. You are encouraged to take your tools and property with you at all times, especially overnight. ARCA is not responsible for stolen or damaged property left on-site.
10. Do not pull stakes out of the plots.
11. Compost bins are located at each of the garden sites. Please properly dispose of all compost. Compost is **not** allowed to be churned back into the soil.
12. No Pets allowed in the garden areas.
13. Children must be supervised in the garden area. **They must not be allowed to run through or play in other people's gardens.** Children with their own gardens must have adult supervision and support to help them become effective gardeners.
14. **Parking:** Gardeners at Gocki Park must park in the parking lot of the Core-Ritchie Neighbourhood Centre. Gardeners at Crescent Park must not block the alley or schools access.
15. **Clean-up Deadline:** will be posted on our website www.alritchie.ca, or Facebook Al Ritchie Community Association at a later date. If you are unable to clean out your garden by the deadline, please inform the garden contact.

Gardens will be rototilled immediately after end-of-season cleanup. This date is set by the city of Regina we do not have any influence on when this happens.
16. Al Ritchie Community Association 'Garden Contact' will be the only person responsible for contacting the City of Regina directly. Please submit any City related issues to arcagardens@sasktel.net.

All concerns, comments or questions must be addressed to arcagardens@sasktel.net as this is run by an outside garden committee separate from our ARCA office and employees.

Happy Gardening!
